

HP Photosmart 475 Compact Photo Printer

Forget the computer – store, edit and print photos wherever you are

This powerful printer not only allows you to edit and print photos, without a PC, in sizes up to large format 13 x 18 cm, but also provides an on-board internal memory of 1.5 GB so you can carry up to 1,000 photos with you wherever you go.

The HP Photosmart 475 Compact Photo Printer is designed for people who will enjoy the freedom of being able to store, view, edit and print favourite photos, in rich colour and large format prints, almost anywhere.

Store up to 1,000 photos for printing or viewing using 1.5 GB internal memory.

- Store up to a year's worth of photos – up to 1,000 – on the on-board 1.5 GB internal memory.
- Keep your camera and memory cards free for more photos; just download them onto your printer.
- Connect the printer to your TV and use the remote control to view photos as a slideshow and print selected photos.
- Easily transfer photos between your printer and PC or laptop for editing, e-mail, archiving and printing.
- Save photos to CD without a PC by connecting to an external CD/DVD burner.

Print large 13 x 18 cm photos in rich, long-lasting, true-to-life colours.

- Print borderless photos in a range of different sizes: 10 x 15 cm, 10 x 30 cm panorama and large format 13 x 18 cm.
- Get better photos with HP Real Life technologies: reveal details normally lost in shadows with HP adaptive lighting technology and automatically remove red-eye.
- Print professional quality b&w prints with optional HP 100 Grey Photo Inkjet Cartridge².
- Get vivid, true-to-life colours for beautiful photos that will resist fading for generations¹ with HP Vivera Inks.

Take your printer – and share your photos – wherever you go.

- Take this small, lightweight printer virtually anywhere – easy to carry with convenient built-in handle.
- Get fully portable with an optional rechargeable printer battery – up to 75 photos per charge³.
- View, crop, zoom and even add fun borders or clip art via the large flip-up 6.4 cm (2.5") colour LCD.
- Print photos from memory card⁴, most USB flash drives or any PictBridge-enabled camera; or print wirelessly from your camera phone or other Bluetooth[®] device⁵.

¹ Up to 82 years based on Wilhelm-Research.com light-fade testing under glass using the HP 134 Tri-colour Inkjet Print Cartridge on HP Premium Plus Photo Papers. For more information on additional permanence testing factors, visit <http://hp.com/go/premiumpplusphoto>

² Not included, please purchase separately.

³ HP Internal Battery for HP Compact Photo Printers not included; please purchase separately. Number of prints per charge may vary.

⁴ Memory card slots support CompactFlash™, Memory Stick, Secure Digital/MultiMedia Card and xD-Picture Card. Also supports Memory Stick Duo (with adapter) and Mini SD (with adapter). Memory cards not included; please purchase separately.

⁵ Wireless printing with optional HP bt300/450 Bluetooth® wireless printer adapter (not included, please purchase separately).
